

Russian Sanctions Policy

(Updated in June 2024)

Mettex Electric Co Ltd confirms that all products supplied by us fulfil the requirements stipulated in The Russia (Sanctions) (EU Exit) (Amendment) Regulations 2023, Regulation 46IA and 46IB amendment as of 30th September 2023, and the items included in schedule 3B, and the COUNCIL REGULATION (EU) No 833/2014 and items referred to in Article 3g ANNEX XVII.

In addition to these sanctions, we can also confirm that products supplied to us, do not contravene the Canadian Special Economic Measures (Russia) Regulations SOR/2014-58, issued in February 2024, and the United States Department of Treasury Executive Order 14068, issued in April 2024 regarding the supply of products from VSMPO-AVISMA Corporation and any VSMPO satellite facilities.

We understand from our suppliers via a documented declaration, that the products supplied to us do not contravene these regulations, and Mettex is committed to ensuring that all requirements of these regulations are fulfilled.
