

**Toxic Substances Control Act of 1976
TSCA Statement**

(Updated August 2021)

Mettex Electric Co Ltd can confirm that as a business it is aware of the and meets the requirements of the Toxic Substances Control Act of 1976, and the Safer Chemical Ingredients List published by the U.S. Environmental Protection Agency (EPA).

According to the documents in our possession and information from our suppliers of raw material, as well as suppliers of process coatings and lubricants, items contained in the US Environmental Protection Agency (EPA) list, are not intentionally introduced in the products supplied by us, nor used in the manufacturing of our products. This includes all items added to the list under section 6(h) by the U.S. Environmental Protection Agency (EPA) in January 2021
